

## Appendix 2: DE 1/11: Additional Procedure Code

This Appendix contains the specific completion rules instructions for the 3-digit National Additional Procedure Code that can be used in Data Element (DE) 1/11 for the completion of the Final Supplementary Declaration (FSD).

The completion notes in this Appendix are a supplement to the main [CDS Declaration Completion Instructions for Final Supplementary Declarations](#)

This Appendix only contains any additional completion notes for the 3-digit Additional Procedure Code and **does not** constitute full guidance on how the FSD should be completed.

Where the DE 1/11 completion notes contain different instruction from the main Declaration Completion Instructions or other Appendices, the completion instructions in Appendix 2 take precedence.

### Notes:

These completion notes are a supplement to the DE 1/10 Procedure Code Notes and therefore any instructions relating to the requested or previous procedure included against the relevant DE 1/10 Procedure Code (see [Appendix 1: DE 1/10: Requested and Previous Procedure Codes](#)) must also be followed.

The DE 1/10 completion notes are not repeated against or superseded by the DE 1/11 completion notes.

### Appendix 2: DE 1/11: Additional Procedure Codes: National Code Index List

This index provides the Additional Procedure Code for use with Data Element 1/11 for the FSD.
